Re: *Notice of Ex Parte Presentation – CC Docket No. 01-92*

Dear Ms. Dortch:

This is to inform you that on November 4, 2005, on behalf of Verizon Wireless, I met with Michelle Carey of the Chairman's office. Verizon Wireless urged the Commission not to impose an obligation on wireless carriers to connect directly with tandem transit providers.

Consistent with the Commission's rules on *ex parte* communications, this letter is being filed electronically in the captioned docket.

Very truly yours,
